## CAMPAIGN STRATEGY + EXECUTION

The Content Marketing Suite is a campaign-based marketing partnership designed for brands ready to invest in consistent visibility and strategic growth. Engagements are structured on a 3-month campaign basis, allowing time to plan, produce, implement, and track the performance of your marketing efforts.

### WHAT THIS SUPPORTS

- Campaign strategy and content marketing planning
- Structured content day production for short-form video and brand visuals
- Campaign graphics designed to support your marketing initiatives
- 60-day rollout guidance with implementation and performance tracking

### WHY IT MATTERS:

Consistent marketing requires both strategy and execution. This process ensures your brand has a clear campaign direction, professional content, and structured implementation to support growth across your digital platforms.

**TIMELINE: 90-DAY CAMPAIGN**

**STARTING AT \$2.5K MONTHLY INVESTMENT**

# our design process

Every brand's needs are different, so the process may vary depending on the level of support your business requires.

We begin by learning about your brand, your goals, and where you are in your marketing journey to determine the best service pathway.
